

Special Events at City-State

Host at one of DC's most flexible and unique locations,
paired with our acclaimed beer and beverage program.

THE FLAVOR OF THE DISTRICT

City-State is in Edgewood, Northeast DC, accessible by the Rhode Island stop on the Red Line, by the Metropolitan Branch Trail, and has limited free parking.

We serve a wide variety of house-brewed beer in our taproom, as well as other alcoholic and soft drinks.

The taproom features 3,636 square feet of event space, with a covered terrace.

BRIGHT & SPACIOUS

Perched atop the beautiful Metropolitan Branch Trail, the taproom features large glass roll up doors that open up to an expansive terrace, offering a flexible blend of indoor & outdoor space.

FLEXIBLE & TURNKEY

Large customizable spaces are a rare find in the District, and City-State's open floor plan allows for nearly any arrangement you can dream up. Weddings, talks, corporate events, birthdays and more.

If you're looking to celebrate love right here in the District, look no further. The brewery was started as an ode to the place we all call home. Beer names celebrate the city's history. Vibrant art prints rep each neighborhood. Metro cars soar within view on elevated red line tracks.

At City-State, all 8 wards are celebrated, and love always wins.
